Thank you, Michele.  
I'll see what I can learn from these links.

Hello Mary,

Thank you for your call this morning regarding injection wells in CA. I am responding to you since I am handling David Albright's calls today.

Below is a link to a page on our EPA website which contains information you should find useful regarding your request for information.

The contact information for the Department of Oil, Gas and Geothermal Resources (DOGGR) is on this website, so you should be able to reach them in this way.

Here is the link for the State Water Resources Control Board

<http://www.swrcb.ca.gov/>

and the Regional Water Quality Control Board that covers Yolo County is the Central Valley Region :

If you need more information for the article you are preparing for the Davis Enterprise newspaper please contact Suzanne Skadowski, her email address is above, and I've copied her on this correspondence.

*Sincerely,*
